SWPPA @36

In 2024, SWPPA celebrates 36 years of collaboration, education, networking, and advocacy on behalf of older adults. Gathering for an evening of celebration and appreciation, we recognize the people and organizations making a profound difference today in our community.

Four Charles W. Pruitt/Mary Anne Kelly Awards of Excellence will be celebrated at this dinner:

- ◇ The **Lifetime Achievement Award**, celebrating an individual “who has made outstanding contributions in the field of aging which have had a regional, state, or national impact.”
- ◇ The **Age-Friendly Leadership Award**, which identifies and celebrates an individual who is committed to the mission of Age-Friendly Greater Pittsburgh.
- ◇ The **SWPPA Frontline Caregiver Award**, recognizing an individual direct caregiver who went above and beyond in service to older adults.
- ◇ The **John E. McGrady, Jr. Award**, recognizing a philanthropic partner (individual or organization) whose contributions to SWPPA or Age-Friendly Greater Pittsburgh have made a significant impact on the lives of older Southwestern Pennsylvanians.

More than 100 people are expected to attend this awards dinner, including a number of changemakers and decisionmakers in Pittsburgh. Your corporate partnership will help support SWPPA’s work and elevate your brand before an enlightened, engaged audience.
